

EXTRA! EXTRA! READ ALL ABOUT IT!

Preschool of the Arts has expanded. On December 1, 2011 Preschool of the Arts opened in the former Cuddles and Kisses Child Care Center as Early Beginnings at Preschool of the Arts. The center, housed in two buildings at the corner of Old Post Rd. and Route 30 in Tolland, (685 Old Post Rd.) serves children from ages 6 weeks up through school age. Sue and John Leavitt are very excited about the possibilities that arise with this new purchase. For the first time ever, Preschool of the Arts is able to provide care for infants and toddlers as well as having a unique, quality preschool, pre/K, and Kindergarten program.

- A lively infant and toddler program offered by skilled and nurturing child care providers.
- A preschool program beginning at age 3 presents a stimulating academic curriculum through the arts - music, movement and the visual arts.
- Children preparing to enter Kindergarten experience an academically focused PreK program also employing the arts.
- A limited number of spaces for school age children who need care before and after school.

The center, administered by director, Stacey Bogoslofski, has the capacity for over 90 children, over 40 positions are for children under 3. Former Cuddles and Kisses families are welcome to reapply to this exciting program. Call the center at 860 875-4847 to schedule a tour and receive more information.

For more information, you are encouraged to call the business office at 860 487-3765 or email us at info@CtPreschoolOfTheArts.com. We are more than happy to give you information about our exciting new adventure in Quality Child Care!
